To Whom It May Concern,

Community Transit of Delaware County, Inc. is a private, nonprofit transportation company certified by the PA Public Utility Commission to provide demand responsive service to senior, disabled and other qualified residents of Delaware County. It was incorporated in 1983 as the Delaware County Transportation Consortium when the County coordinated the transportation needs of various human service agencies.

Key responsibilities:

- Provide about 1,600 trips every weekday to Delaware County residents of all ages on an advance reservation, first come first served basis. Passengers must first become registered before scheduling a trip. Trips must originate in Delaware County. Destinations may be in Delaware County and Philadelphia. Trips to Montgomery and Chester Counties and other surrounding counties are more limited.
- Rides are available Monday through Saturday from 5:30 a.m. to 6:00 p.m. and Sundays from 9:30 a.m. to 1:30 p.m.
- We also provide group transportation for private individuals, businesses, clubs or organizations.

We are seeking proposals for fuel for our active fleet of vehicles.
